

476 ELECTRONIC WARFARE BATTALION

Xanthi, 08 May 2007

Letter of Recommendation

To whom it may concern,

I hereby confirm that Kyriakos Papadopoulos (Serial Num: 13000297503) has served, with the rank of soldier, at 476th Electronic Warfare Battalion, Xanthi, Greece, from November 2006 until May 2007.

During his service he has involved into implementing COMSEC and INFOSEC related projects that assured the secure data transmission of classified information between the Battalion HQ and subordinate Coys and Platoon's mission sites. He has also contributed into the maintenance of the Information Security infrastructure and lead the training to the INFOSEC personnel.

His professional and military attitude in combination with his excellent character and his devotion to the military duties was a valued contribution to the military service.

As his direct Commander I highly recommend Kyriakos Papadopoulos for any related ICT and COMSEC related posts.
