To Whom It May Concern

Herewith we confirm that Mr Kyriakos Papadopoulos, born 12 July 1982 in Neapoli, Greece, joined the Amsterdam ICT Department at Artsen Zonder Grenzen (Médecins Sans Frontières) on 1st of April 2019.

His extensive knowledge of networking, analytical skills and troubleshooting skills have proven to be very valuable for the organisation. Kyriakos excels at management and maintenance of networking infrastructure, Linux systems and tooling scripting for monitoring.

Given his previous roles in the Financial institutions he brought a very good knowledge of security standards and was able to implement a number of security best practices.
